Item 1.01 Entry into a Material Definitive Agreement.

On April 30, 2020, the Board of Directors (the “Board”) of TransEnterix, Inc. (the “Company”) finalized and approved revised compensation arrangements for non-employee directors of the Company that were recommended by the Compensation Committee of the Board (the “Committee”). The following chart summarizes the non-employee director compensation program, which will become effective on July 1, 2020. The first annual equity awards will be made following the 2020 annual meeting of stockholders on June 8, 2020.

Vests one-third of award on each of the first three anniversaries of the date of grant.

Compensation Committee Member	\$ 6,000			
CG& Nominating Committee Member	\$ 5,000			

(1) Annual non-employee director compensation limit of \$250,000 with initial year compensation limit of \$500,000 as set forth in the Amended and Restated Equity Compensation Plan (the “Plan”).

(2) Number of shares of common stock, restricted stock units or stock options calculated using a stock price equal to the greater \$1.00 or the average closing price in the 20 trading days prior to the date of grant and, for stock options, if elected by a director, a Black Scholes calculation. Stock options will have a seven year term.

The Board approved the new non-employee director compensation program based on a review of compensation practices at peer companies. The peer group used is disclosed in the proxy statement for the 2020 annual meeting of stockholders to be held on June 8, 2020. The annual compensation is reduced by approximately \$45,000 per year per director, and is being paid 100% in equity awards as described above. The Board believes the updated compensation program will encourage meaningful equity ownership by directors, provide market competitive compensation to attract and retain key director talent and help with the Company’s cash conservation measures as the Company focuses on market development of its Senhance® Surgical Robotic System.

The non-employee director compensation program continues the Company’s practice of not paying per-meeting fees. Anthony Fernando, the Company’s Chief Executive Officer and a director, does not receive additional compensation for serving as a director.
